Clerk: Sarah Welsh 07808704960 [clerkrepps@yahoo.com](mailto:clerkrepps@yahoo.com)

## Recycling

Recycle your textiles and glass in the bins at the Village Hall and help raise funds for the benefit of the village.

Many thanks to those already using them - last year raised a net profit of £409.62. Let's see if we can beat that this year!

## Editorial

The Parish Council website continues to be updated. Parish council Agendas, Minutes and Notices can be found there. There is also a 'Report it' page where you can find out where to report an issue or need for a repair, around the village. The website is also a place for local information and events, so keep an eye on the 'What's On' page and do please email your group or organisation details, news and Christmas events to [clerkrepps@yahoo.com](mailto:clerkrepps@yahoo.com), preferably in Word format. This will be the last Newsletter before Christmas so I wish you Season's Greetings and a Peaceful New Year!

*Sarah.*

## Parish Council News

The Parish Council continue to follow up issues and concerns about village maintenance and safety. They are currently negotiating with other authorities about repairing the area near Potter Heigham Bridge, the possibility of installing more waste/dog bins, looking into how young people can more safely catch the bus to school, looking into how flooding in Tower Road and other areas can be better prevented, and keeping the grass verges and other open spaces cut or cleared.

The external audit and Annual Return for the council has been completed and published on the Village Hall notice board and on the website. Allotment fees are now due and tenants should have received letters inviting them to renew during October.

The plaque was fixed to the Jubilee seat in October by Borough Councillors Mary and Barry Coleman.

As members of the public, you are welcome to parish council meetings. **The next meeting following this newsletter will be on 8th December at 8pm in the Village Hall.**
